Dear Gabrielites,

Congratulations for completing your SA2. As you review your Sec 2 results, please take this opportunity to reflect on your performance and look into the subject combinations you qualify to do in 2018.

Gabrielites are advised to choose their subject combinations based on their interest, ability and aptitude. Placement is dependent on academic merit and availability of places in the option. Whatever the combination given to you, do your best in it and you will still be able to select many possible courses in post secondary institutions. *Labor Omnia Vincit!*

Every Gabrielite can choose 3 courses. The first choice is your TOP choice!
