

Part	Video Link with short description of the video
1	<p>Video 1: Introducing the NDLP and Device Use in St. Gabriel's Secondary School</p> <p>The first video takes you through an overview of the National Digital Learning Programme (NDLP) and how the Personal Device will be used for learning & St. Gabriel's Secondary School. There are also examples of students' Home Based Learning experience from Term 1 and Term 2 being cited to help you see the students' perspective of learning digitally.</p> <p>Link to the video: https://youtu.be/3AUyIHm0IEs</p>
2	<p>Video 2: Device and Funding Information</p> <p>The second video shows you the school prescribed device which your child would be receiving and the reasons for selection of this device. You will also be informed about the funding scheme for the device based on whether your child is a Singaporean, Permanent Resident or International Student.</p> <p>Link to the video: https://youtu.be/7tqw3_u0bUI</p>
3	<p>Video 3: Supporting Students in the Safe and Effective Use of Personal Devices</p> <p>The third video gives you an idea of the three-pronged approach that the school is adopting to support our students in the safe and effective use of the personal learning device. You will also learn more about your role as a parent as your child harness the power of ICT for positive purposes in learning.</p> <p>Link to the video: https://youtu.be/9gwD25EsEN8</p>
4	<p>Video 4: Role of DMA in Supporting Student Learning</p> <p>The fourth video gives information about the role of Device Management Application (DMA) which will be installed in your child's device. You will be able to understand the various options on DMA setting which you can choose for your child so that it best suits your child's learning needs.</p> <p>Link to the video: https://youtu.be/hPHmzKJDcDk</p>
5	<p>Video 5: Role of Parents in Supporting Student Learning</p> <p>The fifth video will give you an idea of how you can support your child's learning by setting up routines that would help your child regulate their use of device for learning. The video will also share some resources which could be of use to you on this journey.</p> <p>Link to the video: https://youtu.be/SZLRQU25uN4</p>

6	<p data-bbox="326 207 967 241">Video 6: What's Next?- for parent/guardian action</p> <p data-bbox="326 275 1448 409">The sixth video helps you to understand what needs to be done in order to secure a school prescribed device for your child. The same information has been communicated in the letter which was sent to you via your child. You may wish to view this video for greater clarity on the actions that you need to take.</p> <p data-bbox="326 443 948 476">Link to the video: <a data-bbox="558 443 948 476" href="https://youtu.be/E9Llp-nBM4w">https://youtu.be/E9Llp-nBM4w</p>
