

22nd December 2025

Dear Parents,

On behalf of the Parents Support Group (PSG), I would like to extend a warm welcome to you and your son, for joining St. Gabriel's Secondary School (SGSS). We look forward to an exciting 2026 and journeying together with you in son's secondary school experience!

The SGSS PSG is made up of parents from all walks of life who enjoy helping out with the various school events and activities that are held throughout the year. Working together with the staff of SGSS, we endeavour to create a nurturing and supportive community for our boys, to the best of our abilities. We also serve as a communication channel for parents to provide constructive feedback to the school.

Each year, we set up a level chat and individual class chats for our Secondary 1 cohort. Parents who register and sign up with our PSG will be added into these chats at a later date. The purpose of these chats are for the convenience of sharing school matters and class information, all for the betterment of our boys' education and experience in SGSS.

We invite you to actively participate, share your talents and embrace the opportunity to connect with fellow parents who have traveled and experienced the secondary school journey that we are all in together.

You can find out more about our activities in the school website: <https://bit.ly/SGSSPSG> and if you are keen to come aboard our PSG, do scan the QR code below.

Feel free to reach out to us if you have any questions or suggestions. Your input is invaluable as we shape our PSG into a meaningful and enriching experience for everyone involved.

The PSG team looks forward to meeting and getting to know you and we wish you and your families a Blessed Christmas and Happy New Year!

Warm regards,

Christina Woo
Chairperson, SGSS PSG
