Why would I want to EAE to ITE to do *Nitec*?

- At ITE, students who do well for Nitec 2nd year (under JIE 'N') may try **EAE (Poly-i)**
- Successful students will head to Poly and **skip Higher Nitec!!!!**
- Hence, this is a great opportunity!

1 It's for those who have *aptitudes* and *interests* in specific fields of study

- Focus on **course-specific aptitudes and interests**
- But, non-course-specific achievements, e.g. sports, performing arts, leadership, are also considered

2 You'll be assessed through different modes

- E.g. interviews, aptitude tests, showcasing your portfolio, depending on the course you apply for

3 All this will take place *before* your N- Level exams

- If your application is successful, ITE will give you a **conditional offer** before you take the N-Level exams

4 You'll still have to meet the minimum entry requirements

- Most *Nitec* courses have **subject-specific minimum entry requirements**

(...or your offer will be revoked)

5 But you won't have to compete for admission to ITE strictly on the basis of how well you do academically compared to everyone else

Who Is It For?

- NA : Nitec
- NT : Nitec
- Express : Higher Nitec
