24 July 2020

Dear Parents/Guardian,

## **Subject Option Exercise (Trial) 2020**

A Subject Option Exercise (Trial) will be carried out for all Sec 2 students to better understand the available subject combinations, the requirement for each subject combination and to be familiarised with the subject option website. This trial will take place online via the website:  
**<https://lms.wizlearn.com/STGSS/login.aspx>**

For the purpose of this trial exercise, the 2020 Sec 2 Weighted Assessment 1 results will be used and we will provide a copy of the results to your son/ward for reference. Students can indicate six subject combinations choices.

The timeline is as follows:

Date	Remarks
29 July (10am) to 3 August (5pm)	Trial Exercise
7 August (5pm)	Release of Results of Trial Exercise
7 August (5pm) to 11 August (5pm)	Appeal Period
October	Actual exercise after release of End of Year results (Exact date will be released nearer the date)

For this trial to be meaningful, we strongly encourage you to engage your son/ward in exploring:

- his career aspirations;
- his post-secondary pathways leading to his career aspirations;
- his subject options and requirements for O or N Levels for post-secondary pathways.

The information can be found in the SGSS Prospectus Booklet released earlier.

Please refer to the attached instructions to the Online Portal for Subject Option Exercise. For any clarification, please email [sgssstudentplacement@gmail.com](mailto:sgssstudentplacement@gmail.com)

We sincerely hope that your child will work diligently towards his desired subject combination, thus living the school motto: *Labor Omnia Vincit: Labour conquers all things.*

Thank you.

Warmest Regards,

Mr. Stephen Chin  
Principal
