

Steps to selection of your subject combinations through the ASKnLearn portal.

<https://lms.asknlearn.com/STGSS/login.aspx>

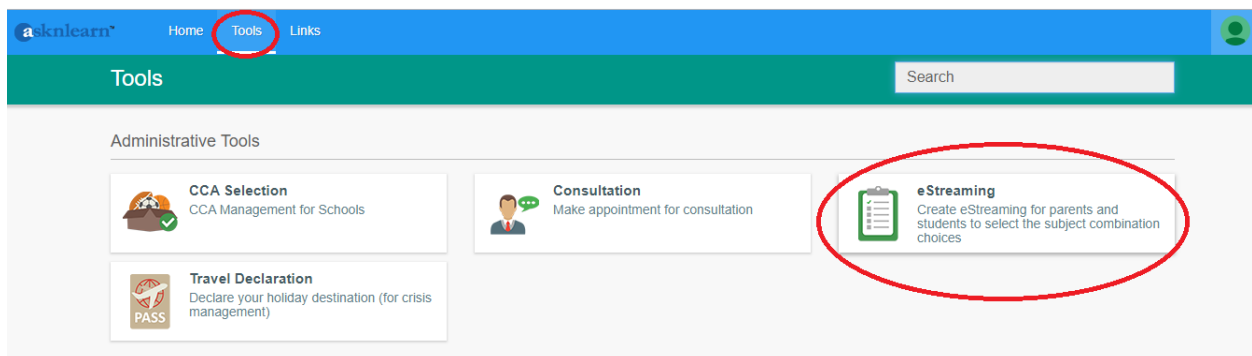

Step 1. Login in to the ASKnLearn portal. If you have forgotten your password, you can get the helpdesk to reset. +65 6777 9661 (Monday - Friday: 7.30am - 9.00pm)

Step 2. Select Tools on the menu option.

Step 3. Select the eStreaming option.

Step 4. Check that your Name, Login ID and **selected** EYE results are accurate. Once you have confirmed your information, scroll down to the selection dialog box below.

Step 5. Make your choices based on your performance and eligibility. The choices offered to you will depend on you meeting the subject criteria based on your performance.

Step 6. Remember to **save** your options. You can also print a copy of your selection as proof of your selection. Your confirmed entry before deadline will be accepted as your final selection.

If you have problems, you may contact the helpdesk. +65 6777 9661 (Monday - Friday: 7.30am - 9.00pm)
